

Kapri e e

40/4 metal
wood grain chair

Our classic award winning chair is now available in a **wood grain** finish on a **metal seat and back**. The chair features a wood grain finish that very closely mimics our real wood chair. It is a perfect choice where the look of wood is desired and the durability of metal is required.

40/4 metal wood grain chair

everyday

Our patented European technology provides a beautiful environmentally friendly finish that is powder coat tough. The finish is scratch and wear resistant to provide long lasting value. OSI, where beauty, design and durability meet.
